

**NELSON BAYS**  
**Statistical Information**  
**1976 – 2005**

Since the start of the NPC in 1976 and up to and including 2005,  
**391** players have played one or more 1<sup>st</sup> class games whilst playing for Nelson Bays

161 or 41.2 %	played one season out of a local club
86 or 21.9 %	played two seasons out of a local club
23 or 5.9 %	played one season as an import
4 or 1.0 %	played two seasons as an import

Thus 70.1 % played only one or two seasons for Nelson Bays.

**Average Finishing Positions from 1976 to 2015**

As a 2nd Division team:	4.05
As a 3rd Division team:	3.10

**Played for two provinces in the same year:**

**All Blacks:**

**Maori All Blacks:**

**The following are one year mysteries** ie. They played all or the majority of games in the one season and never played another 1<sup>st</sup> class game anywhere in NZ. (They were local players, not imports.)

The human interest is why, what happened to them? Was it injury, work, selectors choice, or just giving up the game?

I would be interested if anyone could answer these questions.
